as lawfully adopted for the united states republic. Establishing its republican form of government said constitution established the peoples supreme law of the land to secure the rights of the people, and to keep government bound and in check by official oath and by official bond.

Down from the ancient ones our primogenitors, comes the supreme law of the land:

EGYPT

The capital empire of the dominion of Africa the inhabitants of Africa are the descendants of the ancients Canaanites from the land of Canaan. The Moabites from the land of Moab who received permission from the pharaohs of Egypt to settle and inhabit north-west Africa: they were the founders and are the true possessors of the present Moroccan empire, with their Canaanite. Hittite and amoric orethrem who sojourned from the land of Canaan seeking new homes. Their dominion and inhabitation extended from north-east and south-west Africa across the great Atlantis even unto the present north, south and central America and also Mexico and the Atlantis islands: the great earthquake, which caused the great Atlantis ocean.

The great seal pyramid

Is the national emblem and insiga of my ancestral Moorish nation, empire of north America(geographical location) the great pyramid is also the archaic symbol for civilization on the planet earth, the honorable moors national government : moors who are active and not passive in the social,civilation,culture and custom matters, involving law, Order and government principles are hereby entreated to support this affirmation, moors/Muurs who strive toward this end, with honor, are entrusted by noble Drew Ali , to help in the great humanitarian work of uplifting ourselves, our fellow-man- and humanity at large. We seek at all times to be conscious of the works, instructions and acts necessary to leach, preserve and defend the birthrights of all Moorish/Americans (all Moroccans) etc .

The noble descendants of moors

Moors/Muurs are the natural members citizens of the ancients all Moroccan empire (north America) and are duty-bound to recognize and to support our "great seal" government and nation of the natural people and command the enforcement of our constitution thus, such organized communication orders are referred to as the great seal national association of moors affairs: the free Moorish nation inclusive of all the aboriginal/indigene tribes and province of the natural people etc, are the rightful bearer of the names and title ali, el, bey, dey, al and all future titles created the free Moors/Muurs by freehold inheritance, retain all substantive rights and immunities.

Enjoy the exercising of substance rights and operate upon consummated right law isonomy-Principle having vested constitutions, secured right and immunities from taxable, and from criminal and civil jurisdiction by and of the union states rights republic (U.S.A) pursuant to but not limited to the united states republic supreme court, and the acts of states to wit.

Every sovereign state (people) is bound to respect the independence of every other sovereign state (people) and the courts of the country (people) will not sit in judgment on the government of another, done within (the same or) its own territory. The present union states municipal and civil laws and codes off the land are an incorporated unit of self government established by the political powers of the general assembly of each state of the union, and initiated at Philadelphia Pennsylvania, North America in the years, Eighteen sixty three (1863) union states' rights, republic, under the magna carter (chapter), the knights of Columbus code and the Ku Klux Klan oath, forever, Forever said union states' rights republic denied citizenships in the united states republic (U.S.A) to the descendants of the Moorish nation in the western hemispheres erroneously referred to and branded and mislabeled as negroes, blacks, coloreds, and African Americas etc, in addition the supreme court of the united states (in the landmark case) of Dred scot vs Sanford go us (19 Howard) 393 (1857) held that negroes whether held to slavery or free were not included and were not intended to be included in the category of citizen (subjects) of the union state right republic-resultantly, the true indigene -nobles of the al Moroccan empire (free moors) bearers of the names/titles ali, el, bey, dey and al are excluded from the union states' rights.
